John,

We'll talk more Friday during my biweekly, but I will check in with the Region 10 on who is planning to attend this **2013 Tribal Environmental Leaders' Summit** (not EPA-led) from R10.

Matt Tejeda (Director, OEJ) was invited by the Kalispel Tribe to address Q&A on "fish consumption rate," and Tayoka has asked me to coordinate with her so Matt is in sync with the R10 attendees' message. According to Tayoka, R10 is presenting on "implementation."

Subject: Environmental Justice Concern of the Kalispel Tribe

Dear Acting Director Chase:

Please find attached a letter from Deane Osterman, Executive Director of the Kalispel Tribe Natural Resources Department, regarding an important environmental justice issue currently facing the Tribe. Two supporting documents are also attached. I would be happy to send along the documents cited in the 3/13 and 12/5 letters if that would be helpful.

Your confirmation of receipt and prompt response would be greatly appreciated.

Respectfully,

Zach Welcker
